[Entered at the Postoffice at Wheeling, W.

WHEELING, W. VA., PRERITARY IF, 1862

The Courtesy of Behate.

The tariff debate in Congress has shown, among other things, that a man may at in the House or in the Senate and yet be lacking in some of the essentials which make

Within the week Mr. Illinois, has charged, as clearly as words can convey a meaning, that the Committee of Ways and Means has been manipulated and brought to its conclusions by lobbysis. The lobbysis to whom Mr. Townshend how their several industries would be affected by one duty or another. Of course these manufacturers have gone to Washington to protect themselves against ignomator malicious legislation. Mr. Townshend understood why they were there rant or malicious legislation. Mr. Townshend understood why they were there—
along the pretext he had the decency to change that the Ways and Means Committee had been influenced by corrupting agencies.

The magnetic was an expected was alreed.

A l-moden correspondent of Figure ages. I do not think that anyone has remarked that Authory Trollope died at the "Fixed that name, it is decided, after much dis-

slander and reckies occuration reactives
the high water mark of offensive
indecorum. The duty on bitmainous
coal was under discussion, and Mr. Davis,
follower by the present duty of seventy five cents per
ton should be retained. Mr. Morgan, of
A Polish girl, just fanded, was excent for
arceny from her employers. She pleaded
gilty, but said, in excuse, that she had
been tool that it was the custom of the
country for servants to help themselves to
the property of their employers. Alabama,—the man who wants no indus-trial development in his State because it trial development in his State because it would pift up the price of labor—this violent free trader took occasion to reveal his discovery that men holding seats on that floor had compired to vote money into their own pockets. Not satisfied with the control of the William of the school Fund," in which the editor into their own powers.

West Virginia coal claims to have made "a simple, straightfor general abuse of the West Virginia coal claims to have made "a simple, straightfor interests he turned on Mr. Davis with the ward patterner of the fund." He proves to his entire set

highly impertinent interrogatory—Are you not a large owner of these miners."

Mr. Davis seems to have been stunned by so unexpected and irrelevant a question. He replied with a question, when he should have crushed with a sledge hammer. In the spirit of Mr. Morgan's the distribution of the state and schools.

There is just enough truth in these propositions to malend. It is undoubtedly true that the "school fund" may be invested in the "school fund" gave be invested in the "school fund" sectifies" of this coarse and insulting query no man ea. State. (Constitution, Article 12, Section 4), he should hammer. In the spirit of Mr. Morgan's the "interest bearing state. (Constitution, Article 12, Section 4), state. (Constitution, approves that such state. (Constitution, Article 12, Section 4), state. (Constitution, approves that such state. (Constitution, Article 12, Section 4), state. (Constitution, approves that such state. (Constitution, approves that such state. (Constitution, approves that such state. (Constitution for a transfer of the transfer on all right, the ready to the section 4), state 12, state 12, for the first wave of industrial would bring to port their argosies iden with the misfortunes of their nen. But it requires a good deal ce to follow so insane an argudar. Davis fitty characterized it. Davis fitty characterized it. ment. Mr. Davis fitly characterized it when he said in substance that it was beneath contempt.

The Constitution of the feet tride Davis.

The Constitution of 1863 as well as the

What is the aim of the free trade Democrats? Is it their desire to orand as a public enemy every man who is engaged in other employments than farming and the law? They cannot make mining and the law? They cannot make mining and the manufacturing disreputable, but they can very easily make mortal enemies of every man whose labor or capital is devoted to those industries which are adding to the power of the Nation and the welfare and happiness of the people. It is well to take account of stock as we go along, to see who are the friends and who the enemies of every mean whose labors or capital is developed. PERSONAL

The Ben Hill monument fund in Georgia President Arthur will attend the funeral

the next Leeds, England, festival.

Dr. Dannoscir poetically says of Wagner that he "shook the earth with mere waves of air, which he mastered with supreme genius."

Senator Frye, of Maine, has a strong constitution, a cheerful temperament, and is very fond of children. He is fifty-two years old, and looks like a bov.

the revenues assessed and concered, at an know it. It is time to call a halt and pay up while we can, and not go on until bank-rentey or repudiation becomes a necessity.

Massachusetts, who ranked with Curtin among the oldest war Governors living, a few years ago, is receiving much attention in Washington society.

Governor Patisson, of Pennsylvania, is ostentatiously economical of his own money and of the State's—in small things. He was swenty as the Republican in the state's—in small things. He was swenty as the system. My recollection is that when the Republican party went out of power there was quite enough once assessed to pay all the liabilities of the State and the delict of which the Republican party was the system as a boot-black, but does

softentationally economical of his own moon way on the state of lower there was quite enough and of the State's—in small things. He will not patronies a boot-black, but does the work himself at the common box beside the janitor's stand in the public-reception room in the State House.

The late Professor Pond was once demoliabing Darwin and his theories—a task which he frequently engaged in—when he which he frequently engaged in—when he triamphantly wound up with the question:
"If we are monkeys where are our talks?"
The Professor, who had been speaking for two hours at a stretch before asking this poser, was startled to hear a tired auditor answer andibly: "We have sat on them as long that they are worn off."

Mr. Langtry, the bushand of the lady who is now in this country, owns some land in Ireland which an agent manages. This agent recently wrote to him, saying that the tenants demanded lower routs and hard therefore, it is good that they are worn off."

Mr. Langtry are the state House.

The langtry are none was a large defined on the lady who is now in this country, owns some land in Ireland which an agent manages. This agent recently wrote to him, saying that the tenants demanded lower routs and had threatened to resort to the shots gan policy to obtain compliance with their demand. Mr. Langtry at once wrote back as follows: "Dear Sir You may say to my tenants that any threats to shoot you will never intimidate me."

Mr. Bennett, the owner of the New York Herald, once offered a large sum for Crow Lalad, once offered a large sum for Crow Lalad, the continuation of the law the cotton civil, the use of which is now the new for the service when the country of the se

demand. Mr. Langtry at once wrote back as follows: "Dear Sir. You may say tow will never intimidate me."

Mr. Bennett, the owner of the New York Hradd, once offered a large sum for Crow Island, in Currituck Sound, on the North Carolina coast, but his effer was reface, who save the best clothed people in the World. Now Mrs. Hatfield, the proprietor, has sold the island for \$25,600, but to whom report does not state. Mrs. Hatfield is the widow of Commodore Vauderbill'schum, Captain John C. Hatfield, who discovered the place while peddling Yankee notions with the Commodore, many, many years ago. Captain Hatfield bought the island, which is noted for its game, and built there a fine mansion.

Human bones, a charred pipe and sev W. Randall's barn, near Stonington, Conn., indicated that a tramp had taken a smoke before dropping off to sleep. John Cramer, of Pleasant Ridge, Iowa

custon, that people are better out of the world.

A Polish girl, just landed, was recently was Dan'el, but kind o' shiftless an' eavy, an' it allers worrited me so much tew things goin' so slack. Sex I ter mysell, a body can't hev everything; ther's allers some costs, an' a poor man's better'n none. So I speaks right up, an' I sey; "Caleb, we've been nabors for many syear. I know your failin's, an' spee you anow mine, an' so, e' you say so, all right, p'r'aps we both might do wuss." Wil, ter make a long story short, we agreed to hev the business dun right of. Caleb said thet it was stylish to go on a weddin' tower nowa-days, and as he want ter on deown to Bangor to see about

an article entitled: "The Use by the State of the school Fund," in which the editor claims to have made a simple, straight forward statement of the relation of the State

dew it in cold weather, and I won't dew it for any man. He was pretty sullen all day, but I didn't take no notice of him, an' he got over it. The next day he was ter begin nayin', an' he'd six men.ter help him. I had ter do all the work, an' take care of the milk an' churnin', an' it wasn' no fool of a job. Come time ter get dinner, an' there wasn't a siver o' wood cut. I sent Johnnie (he was then about 7 years old) out in the field ter tell Caleb I wanted him. He came in looking swaye enough, and

Caleb looked blacker'n a thouser cloud.

"What does this mean," "se z he.

"It means what it means," sez L. "You said yest'day that you didn't want ter be called in from the mowin' field again, ununless it was for victuals, an' herot hey are."

"Nice shape, tew," sez he.

"Wal, I can't cook 'thout wood," sez I, dryly like.

With all that, all seven of 'em started for the alore an't he prevent left that wood pile.

"Did she?" ser I. "And so did Dan'el."
He got tired of holding Nancy up afore my eyes, for I would offset her with Dan'el every time. He found that I was powerful sot in my way, an' he thought he might as well let me hev my own way, an' so he hez. I don't mean to be ugly, but I won't be trod on by nobody. When he wouldn't let me hev what money I wanted, I'd sell something every time. I sold two tons of hay one time, when I knew he only hed enough to winter his critters. So, on the nay one time, when I knew he only hed enough to white his criteries. So, on the whole, he found cout that I wasn't straid of him, and he behaved quite decent, I told him, not long ago, that he was growin clever.
